College Extra Curricular Activities

We encourage and affirm the participation of students in the various activities offered through the co-curricular program. Our program is a co-operative venture involving students, staff, parents and friends of the College. These activities play an important role in the total development of the student, and as such, are considered to be a vital part of the holistic education offered at the College. Involvement in the co-curricular program fulfils important education and social goals established by the College. The co-curricular program:

National Cadets Corps

Students can get themselves enrolled to the N.C.C in the beginning of each academic year. After completing successful training, weightage certificates will be awarded. Holders of these certificates are eligible for grace marks according to

their grade when they apply for admission to higher classes. Dr. Lt. G. P. Sudheer & Lt. Asha L. Stephen (Dept. of Physical Education) are in charge of the N.C.C army wings.

National Service Scheme

This organization helps to create a strong social awareness among students. Since the members have to serve for two years, only first year degree and second year degree students are eligible for admission. Active members are given certificates which make them eligible for grace marks. The Programme Officers of the NSS unit are Rev. Dr. T. B. Premjithkumar (Dept. of History) and Miss. Shiji E. (Dept of Chemistry).
