

Facilities

Our Facilities

Central Library

The Central Library stocks around 26000 books with an average addition of 350 books per year. The Library is open from 9:30 a.m to 4:30 p.m. In addition to the Central Library, each department has a collection of books for ready reference.

College Auditorium & Seminar Hall

The college auditorium with a seating capacity of 1800, and the seminar hall with its public address system are readily available for programs arranged by the staff or students. The college auditorium is used by a charitable organization during non-working hours and holidays for imparting remedial coaching to financially insecure school students of the neighbour hood.

Audiovisual aids

Audiovisual aids like OHPs, television sets, DVD players, recording devices, digital cameras and LCD projectors are available.

Information Centre

The Information Centre near the college gate provides guidance regarding the remittance of various fee structures, the dates of University examinations, the availability of forms and hall tickets. The centre also offers Xerox facility, which is open to the students, staff and the public at moderate rates.

Sports Facilities

Play grounds, 200 meters track, Long jump pit, High jump pit, Pole vault pit, Football field, 2 Basketball courts, Volleyball court, Ball badminton court, Shuttle badminton Court, Cricket field, and Kabaddi court are available. The department has a Fitness Centre equipped with a Multi-gymnasium, Treadmill, Static Bicycle and fitness equipments, which is open to the students and staff.

Computer & Internet Facilities

The Central Computer Lab is well-equipped, while computers are also available in the various departments, in the Library and the College Office. Broadband Internet facility is available at the Network Resource Center attached to the Central Computer Lab

Biotechnology Laboratory

Well-equipped Biotechnology Lab with tissue culture facilities.

College Buses

Two college buses ply in the Thiruvananthapuram and Neyyattinkara routes.

Botanical Garden

Botanical Garden consists of ideal aquatic habitat, greenhouse, and a good collection of medicinal plants.
