ANNUAL REPORT
2016-2017

PREFACE

The Internal Quality Assurance Cell (IQAC) of Christian College, Kattakada was established in the year 2003. It is the vital part of the institution which work towards attaining the aims and objectives for the enhancement and the sustenance of quality education. In the development of college, IQAC has brought a system for conscious, consistent and catalytic improvement. The objectives of the IQAC as envisaged by NAAC are realized and made a significant to achieve academic excellence.

The IQAC of the college coordinates all quality related activities through well recognized methodology of documentation and internal communication. The internal and external Academic Audit of the departments is being speacheaded by IQAC, which promotes quality, accountability and transparency. Thus it care for healthy competition among departments and sharing of good practices. Inorder to monitor the quality and efficacy of the policies and processes of the institution, IQAC developed an effective feedback system.

The main objectives of IQAC are;

- To combine harmoniously quality oriented activities by developing well organized methodology of documentation and internal communication.
- To coordinate the activities of the college to ensure adoption and propagation of good practices.
- To carryout internal and external Academic audits of departments to promote quality, accountability and transparency.
- To support an efficient feedback processes from stakeholders and after proper analysis recommends actions in the college council.

- To prepare Annual Quality Assurance Report (AQAR) as per NAAC guidelines.
- To coordinate various programmes that advances the career prospects and career placement of faculty members.
- To conduct special programmes for advanced learners and slow learners that is suitable to their needs, motivate them and provide opportunities to explore options for growth.
- To combine the new methods of teaching , learning and evaluation, with special emphasis to information communication technology (ICT).
- To organize workshops and seminars on quality related issues and thus to promote a culture of quality in all areas and activities of the college
- To promote department to conduct alumini meetings.
- To conduct faculty development programmes which helps in resource sharing and promotion of research.
- Honoring the achievers of Christian college family in different fields of interest.
