

ANNUAL REPORT OF NSS UNIT 2018-19

National Service Scheme activities of this academic year were started by the celebration of Environmental day .This year we conducted a variety of programmes in the adopted village. During the previous seven day camp, the volunteers visited all the houses of the adopted village of the Thottampara and listed the house doesn't have a jack fruit tree. This time the volunteers visited the house again and planted a grafted jack fruit tree at every house. This programme was inaugurated by college principal Sri. L.S. Paul raj and ward member A.K.Dinesh planted a jackfruit tree at the adopted village. This programme made great awareness about the importance of jackfruit tree and the importance of environment.

On 21st June eve celebrated international yoga day. Lt. Dr. Asha. L. Stephen, Assistant Professor, Department of Physical Education, Christian College, Kattakada had taken an awareness class about the topic "Importance of yoga in our daily life". Her talk was so interested and informative one. The volunteers enjoyed the session very much. After the lecturing section volunteers practice the yoga.

On 21st June afternoon we conducted a general meeting of volunteers. On this meeting Amal.N .V (IInd BSc Statistics) , was elected as male leader and Greeshma (IInd B.A. History) was elected as female leader . Akash (IInd B Sc Chemistry), Varsha (IInd B Sc Physics), Aromal (IInd B Com), Abin Babu (IInd Economics) was elected in the core committee.

Volunteers participated various training programs at university level and national level. Arun. V.U (II Botany) and Midhun M Nair (II Zoology) were participated the disaster management training conducted by University of Kerala on 21st June 2018.

On 30th June volunteers conducted a massive cleaning at the campus. Volunteers collected the plastic materials from the campus and handover it to the recycling unit at Pattakulam.

On 8th August two of our volunteers Reshma (II B.A History) and Greeshma (II B.A. History) were participated the workshop on “Women capacity building” at senate chamber,University building. On 12th August Sarath (II B Sc Physics) and Nimindas (II B Sc Physics)were participated the leadership camp at Govt. Ayurveda college, Thiruvananthapuram.

On 17th August we conducted a flood relief program; the volunteers visited the house of our adopted village and nearby shops to collect the needed materials like soaps, toothpaste, candle etc. All the teachers and staffs gave maximum support to this program. At the evening the volunteers sorted the collected

materials and packed well separately. The materials were handover to the collection centre, Cotton Hill school, Vazhuthacaud. Everyday our volunteers took duties on the collection centre overnight. This program makes more social commitments in volunteers.

On 19th August we donated a sack of rice and 25 coconuts to the flood relief camp at Govt. V.H.S.S. Veeranakavu. Volunteers collected these materials from their friends and relatives. On 20th August we gave breakfast for all the 32 members at the camp Puravimala. This programme was conducted by the support of our alumni volunteers.

On 21st September we conducted another flood relief program "Book donation". Volunteers collected 4000 notebooks, pens and pencils from the campus and distributed to the students of Pandandu, flood affected area at Pathanamthitta district. We visited the place by the support of local and panchayath member. They informed the students and assemble at the house of ward member .This programe was inaugurated by Sathi Kumar, Panchayath president. After that we visited some nearby school and distributed some study materials.

On 24th October we celebrated N.S.S. Day by organizing a blood donation camp in association with Sree Chithra medical institute, Medical College Thiruvananthapuram. For the campaign we conducted a drawing competition on the topic "Blood and Life". Jisha M J (Ist BSc Maths) got the first place. The programme was inaugurated by L.S. Paulraj, Principal Christian College, Kattakada. Many teachers and students were participated the camp.

We conducted an “Art and Craft” course for the unemployed women of our adopted village in association with Govt. Polytechnic, Mancha Nedumangadu. The registration was conducted on 24th November. From the 75 applications 40 were selected on the basis of their economic background and interest. The training program was inaugurated by college principal, Sri. L.S. Paulraj. On 27th November Mrs. Anjana , Assistant Professor, Govt. Polytechnic Nedumangadu, gave an idea about the training. The candidates were grouped into two, each group had 20 members. They were trained to make soap, bags, paperbags, glasspainting candle making, fiber painting, flower and doll making etc. upto 21 days. On 17th December the certificates were distributed by Ms. Shiji E, Program coordinator N.S.S unit 21B, Christian College, Kattakada.

One of our volunteer Midhun M Nair II Zoology had participated NIC Camp at Sathyasai Arts and Science College, Thonnakkal.

Agriculture is the main part of our life .Now a days our government give maximum support to public people and institution to done biofarming .we collect some good quality seeds from agriculture office and distribute to the N.S.S volunteers . Volunteers actively participated this programme
